

Do you know what human trafficking with the purpose of exploitation is?

- If you have been offered a job in Spain, you have been picked up from the bus or from the airport when you arrived, your trip has been arranged and all expenses have been paid, ...
- You have been threatened, tricked, beaten, forced, told that they will hurt your family or loved ones, made voodoo, ...
- You have been forced to prostitute, to dance in a club... to work in the fields, in a restaurant, in construction... to beg in the street, in a supermarket, to disguise yourself as a mime to ask for money... to marry someone without wanting to... to sell drugs, to steal wallets or clothes... to sell some of your body organs...

If you have experienced any of these situations, ask us! We will inform you about your rights and will support you.
